

iSchool Course Grader Positions – Spring 2026 Semester

The iSchool (Information Sciences and Informatics) is currently accepting applications from **Illinois graduate students** for **hourly course grader positions** for the upcoming Spring semester.

Grader positions provide an opportunity to support course instruction while gaining valuable academic and professional experience. Openings are available across multiple iSchool courses, and grader assignments will be made based on course needs and instructor selection. Submission of an application does not guarantee an appointment.

Position Type

- Hourly Grader (not a Teaching Assistantship)
- This application is for **grader appointments only**. Students seeking Teaching Assistantships should refer to the **Virtual Job Board**.

Job Responsibilities

- Grade assignments as directed by the course instructor
- Complete all grading duties accurately and within specified timeframes
- Communicate professionally with instructional staff as needed

Required Qualifications

- Current University of Illinois graduate student in good academic standing
- Availability to work approximately **5–10 hours per week**
- Strong working knowledge of **Canvas**
- Excellent written and oral communication skills

Preferred Skills and Qualifications

- Familiarity with iSchool courses
- Depending on the course, experience with one or more of the following may be preferred: R, Python, HTML, SQL, JavaScript

How to Apply

Interested students should complete the application form and upload a CV or résumé using the link below:

Application Form:

<https://forms.illinois.edu/sec/454549982>

The application will remain open until **January 22**. Selected applicants will be contacted to confirm interest in the position.

If you have any questions, please feel free to reach out to ischool-phd@illinois.edu
